Dear Mr. Zimnicki,

We were pleased to learn that you accept the fellowship offered to you in Germany and are prepared to commence your programme on **16 April 2007**. Your governmental authorities have also confirmed their acceptance of this award.

We are now sending you final instructions for your departure. Please find enclosed the Agency's "Fellowship Travel and Payment Instructions" form which contains details of the arrangements made on your behalf. You are requested to read these instructions carefully and to follow all directions given.

Should any difficulties arise during your fellowship in Germany, you should inform your supervisor and InWEnt GmbH in the first place and then the Agency in Vienna. In this connection, your attention is drawn to paragraphs 41, 44 and 45 of the "Guide for IAEA Fellows" concerning liability, medical insurance and hospitalization. Attention is also drawn to paragraph 42 and Appendix I of the "Guide" concerning the informal reports which the Agency expects to receive from its Fellows. A first report should be submitted to the Agency about four weeks after the start of your training.

As soon as you are settled, you are requested to inform us in writing about the exact date of your arrival in the host country together with your mailing address. This is of particular importance with regard to your insurance coverage with Vanbreda International.

We very much hope that you will enjoy a successful period of study under this fellowship and wish you a pleasant journey to Germany.

Yours sincerely,

Enclosures
